Re: Mayor's Neighborhood Grant Award

Dear Doug:

Congratulations! I am pleased to report that after reviewing the recommendation of the selection committee, Mayor Martin has awarded funding in the amount of \$4,000.00 to the North Stamford Association for its neighborhood projects.

The Mayor will present successful applicants with their awards at a public ceremony on April 26th at 3:00 p.m. in the 10th floor conference room adjacent to his office at the Government Center.

A final report consisting of pictures of your completed project and receipts for all purchases made with grant funds will be due no later than August 1, 2018. Any grantee that fails to submit the required report to the undersigned by that date will be ineligible to apply for FY 2018/19 grant funds.

I look forward to seeing you on the 26th.

Ellen Bromley

C: Mayor David Martin
